

# THE SEARCYS STORY

Searcys was founded in 1847 by John Searcy, the pastry chef to the Duke of Northumberland. John led the way in driving excellence in hospitality with his passion, innovation and quality. These attributes remain at the heart of what we do today.

This year, Searcys celebrates its 170th Birthday. To mark the occasion, we have a fabulous range of celebrations planned including a 'Champagne Anniversary Afternoon Tea' at our stunning venue, 30 Pavilion Road. As part of our anniversary year we cannot think of a more fitting way to mark the occasion than to launch our new sparkling list.

Our sommeliers have curated this new list showcasing the best of the sparkling category. From Grand Marques, to family-owned small growers, or from British sparkling wines to those wines grown on far flung shores, each house is renowned for its commitment to quality. We love something about each and every bottle in our range, and are excited for you to discover a new favourite.

## HOUSE

We take great pride in pouring our private label range. Looking to our rich heritage in the champagne industry, we took a hands-on approach when working with the renowned Maison Burtin in Épernay to produce our Searcys Selected Cuvée. We believe size matters, and delight in having this champagne available in magnum format, which we consider the perfect way to serve champagne.

We are also delighted to work with the only female Chef du Cave in Champagne, Sandrine Logette-Jardin. At Duval Leroy, Sandrine respects the winemaking heritage of their family traditions and produces stunning wines under the guidance of the head of the family, Carole Duval Le Roy.

## SMALL GROWERS

These farmers, grape growers and families who blend the wines from their small vineyards to sell directly to us. Think of this range entirely as a family affair; with a precious tapestry of tales from their special parcels of land and their vines. Why not ask one of the team to enlighten you? In addition to quality of the wine, we hand-picked our selection based on the stories behind the farmers who have tended the rolling hills of the region for generations of their families. This category is for real champagne-lovers; popping a bottle opens up an opportunity to celebrate the craft; which is such a unique part of the industry.

## BRITISH SPARKLING

UK winemakers are producing some stunning sparkling wines. They will often attribute their success, in part to the soil which is a unique chalky texture very similar to that of Champagne. We are tremendously proud of the global status which British sparkling wine has attained through the steadfast efforts of the passionate individuals driving it forwards. As the most British of brands, Searcys is a keen supporter of these amazing British wineries who demonstrate an obsession with excellence, attention to detail and who are producing wines of an outstanding quality.
